**Resolution No. 005/2017**

TENI supports the Repeal the Eighth campaign because it is in line with our commitment to human rights and equality. As a trans organisation, we know the importance of ensuring self-determination, bodily integrity and physical autonomy.

We believe a referendum to repeal the Eighth Amendment is imperative to ensuring the rights of all people who can become pregnant, including trans men and non-binary people.

This position is supported by International Human Rights bodies such as the UN Human Rights Committee, and domestic Human Rights bodies such as the Irish Human Rights and Equality Commission (IHREC).
